

TRANSFORM YOUR LIFE WITH MUSIC, MOTIVATION & KINDNESS

People like you are changing the world every day to make it a more positive place. Everybody has a different and interesting story. When you shared yours with me, it opened me up on how you get through the difficult parts and the good parts you enjoy.

Dede & Peter Dankelson are a Mom & 19-year old Son who share Peter's life with a guitar and Goldenhar Syndrome. They've been motivational speakers for over ten years all while navigating 35 surgeries and countless social situations as a result of Peter's facial difference.

Peter's resiliency, positive attitude, and drive to fuel his passion for music inspired Dede to develop the "10 Ways to Rock Your Life" program. Learn how to embrace your story and live a joyful life of purpose.
