

3K Chooses Kindness

Thank You Letter Homework

Write a letter to Pete and his mom, DeDe, thanking them for talking with us on Monday. They spent a half hour talking with our class about Pete's life. They also talked about being kind, and challenged us to think about the difference between being friendly and being a friend. Include a picture of something in our classroom or a picture of yourself.

Dear Pete and Dede,

Thank you very much for taking the time to share your story with us! It was great "meeting" both of you. Pete~ we loved the Kindness Pledge and we've been sharing it with other classes. You are an inspiration and I'm glad you're spreading the kindness message. We're more alike than different. Many thanks ~ Sharon Kiernan

Dear Pete

Thank you for being brave skipping
skipping. I can't stop admiring how cool you are
with a magnetic hearing aid and the kindness pledge.
It's kind of cool to have a "fake" ear.
Hope you liked our t-shirts. ↴

Dear Pete and De De

Thank you for everything that you answered
our question. You are so brave to have
28 surgery. I LOVED that you
made your kindness pledge. I will never
forget it. We made our wonder t-shirts.

Hayden

Dear Pete and Dede,

Thank you for talking with us.

I surprised that you could take your ears. I love Wonder book.

Sometimes I feel the differences between me and American, because I am Japanese so I can't speak English very well. I hope that you can do your best in high school.

What is beautiful is good
and who is good will soon be beautiful

Dear Peter and Dede,

Thank you for talking to us on Monday. I really like your kindness pledge. We also read Wonder in class and I really liked how it ended. I liked to talk to you because I learned how to solve problems and that you should be positive all the time. I realized that being a friend is more than being friendly. Thank you for spending half an hour with us.

From, Cecilia
